(Due to the cancellation of one of our eight rounds, all of this years rounds contribute towards the final Championship positions)
 Congratulations to all those who have made podium places, awards will be presented at Round One of the 2009 Championship.

Due to the recent decline in entry numbers, for next year riding classes will be amalgamated into their respective colours.
 Therefore there will be an 'Expert' class, 'Intermediate' and 'Novice' class where riders will compete regardless of wheel size.

Please ensure that you send your ACU licence renewal forms to us at the usual address so that they can be countersigned and then forwarded.
Make sure you include a stamped addressed envelope for "ACU Ltd, ACU House, Wood Street, Rugby, Warwickshire, CV21 2YX"
 people without a valid 2009 ACU licence will not be permitted to ride at our events.
